

NORMS FOR SUBMISSION OF PAPERS

1. The abstracts will be sent exclusively by e-mail: inscricao@taping.com.br
2. Summaries sent by another means of communication or any other another format.
3. Indicate the desired subject area (see below).
4. Registration at the VI Therapy Taping® Congress is mandatory for at least one of the authors of the study, and any of the co-authors may present it.
5. A maximum of 2 abstracts will be allowed for each author.
6. Accepted abstracts will be published in Proceedings of the VI Therapy Taping® Congress. The content presented is the sole responsibility of the author (s).
7. The publication of the abstracts in the Proceedings of the VI Therapy Taping® Congress is conditional on the registration of one of the authors.
8. A single certificate (.pdf), with the name of all authors, will be issued for each submitted work.
9. Certification is subject to presentation of the abstract and will be made available at the end of the event.
10. All communications regarding the work will be sent to the email address that was sent the work / registration. So do not use third-party email and be sure to always check your spam box.
11. Summaries sent to the VI Therapy Taping® Congress, should not have been previously published or presented at national and / or international events.

Summary Format

1. **Title:** Times New Roman 12 - CAPITAL LETTER in bold; maximum of two lines.
2. **Authors:** Times New Roman 10 - put in sequence, the authors of the work (LAST SUBSCRIPTION IN CAPITAL LETTER, followed by the initials of the name), superscript numbering indicating the affiliation. Authors' names should be separated by commas. A maximum of 5 authors (1 author + 4 co-authors) will be allowed.
3. **Institution (Affiliation):** Times New Roman 10 - add a simple space and, in the next line, place the institution (affiliation) of the authors, city, state and country.
4. **Summary:** Times New Roman 10 - single paragraph, maximum 250 words, 1.5 spacing between lines, written in Portuguese, English and Spanish.
 - A. Introduction
 - B. Aim
 - C. Kind of study
 - D. Materials and methods (participants [if any], protocols and statistical treatment)
 - E. Results (no tables or figures will be allowed)
 - F. Conclusions
 - G. Keywords present in DECS or Mesh terms (minimum 3).

ATTENTION: Resumes will not be accepted under the following conditions:

1. Out of Time Shipping.
2. Out of the specified pattern or with inadequate formatting.

Thematic Areas:

- Physiotherapy in Sport
- Locomotion and Posture
- Clinical Biomechanics
- Adult and Child Neurology - Phonoaudiology
- Occupational therapy

Selection of Researches:

So that the work is evaluated by the scientific committee, and it is essential that all the guidelines of this regulation are followed strictly. Selection for presentation - All abstracts received in accordance with this regulation, will be evaluated through national consultants that make up the committee that judges the event. The committee had selected the works for 2 (two) established categories (free theme or poster).

Criteria for judgment:

1. Relevance and originality;
 2. Clarity and relevance of objectives; coherence with methodology;
 3. Design of research adequate to the objectives;
 4. Description of methods / procedures and statistical analysis appropriate to the design. Clear description of population and sample size. Definition of variables under study, mainly intervention or exposure and outcome;
 5. Importance for the advancement of knowledge. Potential of applicability and impact of results.
- **Presentation Free Theme** - The authors of the works approved for presentation in the Free Theme format will have between 10 and 15 minutes for presentation in public session, and questions related to the work can be carried out for another 5 minutes.
 - **Presentation in Poster** - The dimensions of the poster will be 90 x 110 cm (width x height), made with channel and string for fixing. The title should be the same as that used in the abstract and should be written in capital letters, and the text should contain the same summary information. It is recommended to use illustrations, graphics and photographs that facilitate visual communication. Posters must be placed on the first day of the congress and only removed after the presentation. The presenting author must remain in the place (next to the poster), in the day and hour predetermined for possible discussions, clarifications.

Awards

- Honorable mention will be given for 5 posters and 5 free themes.
- The awards will be given at the Closing Ceremony of the VI Therapy Taping® Congress.
